ABOUT VIVEK

Vivek is a Keynote Speaker & thought leader on using **Culture to Innovate**. He’s an ex – JSE-listed COO & Tech Entrepreneur. Vivek’s work equips an organisation’s culture to support innovation based partly on **Design Thinking mindsets** - rather than typical top-down processes. With his focus on **empathising with the end user**, Vivek’s work enables **Transformation** in corporate South Africa by allowing companies to truly connect & collaborate, across diverse cultures & groups, with end customers, employees, and citizens.

Quick Facts:

- COO at Choppies, a **ZAR 12 Billion** JSE-listed FMCG retailer.
- Entrepreneur in MFS Africa, tech startup rated by Fast Company as **Africa’s 2nd Most Innovative Company**.
- Management in **2 US Fortune 500 Firms: Harley-Davidson & Micron**.
- MBA from Kellogg, a **world Top 5 MBA**.
- Experience covering **20 countries, 4 continents**, and African, Western, and Indian business cultures.
